Please briefly set out your planned digital twin idea (100 words max)

Click here to enter text.

Can you confirm that you will be available from 3.30pm to 5.30pm on Wednesday 11th October 2017 to present your submission at the Data Dome, Bristol if successful at stage one of the competition? (Please check box) ☐

Can you confirm that you will be available on Tuesday 17th October 2017 to present your findings (am) and participate in a policy thinkathon (pm) in Bristol, as part of the UKCRIC Urban Observatories Symposium?   ☐

The best format for presentations at the data dome is YouTube 360 format (3D is not required but is an option). Guidance can be found here. The Data Dome would like a 4k 2:1 Equirectangular master at 30fps.

Please note that the overall winner will be announced at the Festival of the Future City 'Building Good Cities of the Future' panel event on the evening of 19th October.

If you have any questions or are experiencing any difficulties filling out this form, please contact Sean Shiels on 07748 180664.
